## Cash Eruption Bonus

---

The *Cash Eruption Bonus* is triggered when 6 or more Fire Ring Scatter Symbols appear anywhere on the reels in the base game, or when a Fire Ring Symbol is selected during the *Free Spins Bonus*.

During the base game, Fire Ring Scatter Symbols are collected in the meter above the reels. The meter resets after every spin.

The *Cash Eruption Bonus* awards 3 initial respins.

Each Fire Ring Symbol that lands reveals either a prize value or a Jackpot award. All revealed prize values or Jackpot awards are locked in position for the remainder of the bonus.

During each respin, additional Fire Ring Symbols may land, revealing further prize values or Jackpot awards.

Every time a Fire Ring Symbol lands, the respin counter is reset to 3 respins remaining.

Available prize values for bonus triggered from base game and small Fire Rings in the Free Spins Bonus are 20, 40, 60, 80, 100, 200, 300, 400, 500, 1000, or 2000 times the coin value of the triggering spin, or MINI, MINOR, or MAJOR award.

Available prize values for jumbo Fire Ring triggered from the *Free Spins Bonus* are 100, 200, 300, 400, 500, 600, 800, 1000, 1200, 1600, or 2000 times the coin value of the triggering spin, or MINI, MINOR, or MAJOR award.

Fill all 15 positions on the reels to win the GRAND Treasure.

The *Cash Eruption Bonus* continues until no respins remain or until all 15 reel positions are filled.

Locked prize values are cumulative and are awarded in addition to any eligible Jackpot award.

Jackpot values are fixed awards based on the amount wagered and are not shared – they are only winnable by the player.

Reels used in the *Cash Eruption Bonus* are different from the reels used in the base game and *Free Spins Bonus*.

The *Cash Eruption Bonus* is played at the same coin value as the triggering spin.

The *Cash Eruption Bonus* cannot be retriggered.

## Free Spins Bonus

---

The *Free Spins Bonus* is triggered when 3 or more Bonus Scatter Symbols appear anywhere on the reels.

Triggering the *Free Spins Bonus* awards free spins equal to the number of triggering Bonus Symbols.

At the start of each bonus spin, pick 1 of the tiles on reels 2, 3, or 4. The selected tile reveals a symbol. Available symbols are Wild, Aphrodite, Taurus, Mask, Chariot, Sledgehammer, Ambos, Ace, King, Queen, and Fire Ring.

Some symbols may not be available for each bonus.

Once a symbol has been selected, it cannot be selected again during that bonus.

If a tile containing a Fire Ring Symbol is selected, the *Cash Eruption Bonus* is triggered. The *Free Spins Bonus* continues after the *Cash Eruption Bonus* has been played.

If 5 Bonus Scatter Symbols triggered the *Free Spins Bonus*, the first pick is a Fire Ring Symbol.

If a selected tile contains a symbol other than a Fire Ring Symbol, the revealed symbol becomes a jumbo symbol and appears across reels 2, 3, and 4. All jumbo symbols appearing on reels 2, 3, and 4 are 3 symbol positions high and 3 symbol positions wide.

Each jumbo symbol appearing in a winning combination is evaluated as 3 of the corresponding individual symbols on each payline that passes through that jumbo symbol.

The *Free Spins Bonus* cannot be retriggered.

Reels used in the *Free Spins Bonus* are different from the reels used in the base game. Reels are determined at the start of each spin. Fire Ring Symbol may appear on reels 2, 3, and 4 only.

Free spins are played at same coin value and same number of paylines as the triggering spin.

## Rules

---

Misuse or malfunction voids all pays and plays.

All line win symbols must appear on a played line and on consecutive reels, beginning with the far-left reel.

Only the highest winner is paid on each payline. Line wins are multiplied by the coin value on the winning line. Coinciding line wins on different paylines are added.

Bonus wins are independent from line wins and are added to the total amount paid.

Line wins are not paid in addition to pattern wins.

Wild Symbol appears on reels 2, 3, 4, and 5 in the base game and the *Free Spins Bonus*.

Wild Symbol is wild and substitutes for all symbols except Bonus and Fire Ring Symbols in the base game and the *Free Spins Bonus*.

Wins are shown in currency.

In some jurisdictions, regardless of bet size, there may be an award cap on any single transaction. See the payable for details. A transaction includes the results of the bonus, plus the outcome which launched the bonus. If the award cap is reached in the bonus, the bonus ends immediately, even if there are remaining free spins.
