

Game Help and Paytable are available within game.

ADDITIONAL INFORMATION

Reel Match

On random base game spins, 2-5 reels are randomly selected to sync up and stop with their reel symbols matching across the selected reels. Free Spin Bonus can be triggered during Reel Match.

Free Spin Bonus

Bonus symbol is a scattered symbol. 3, 4, or 5 Bonus symbols landing scattered on the reels awards a prize of 2x, 5x, or 20x total bet in credits respectively plus 6 free spins. The Bonus symbol credit award is added to payline wins. The Reel Match feature is active and triggers on every free spin. Retriggers are available with the same triggers, and award as outlined above. Maximum number of free spins is 90. The Free Spin Bonus uses an alternate set of reels.

Interrupted Game

In the event of disconnection, an interrupted bonus feature may be resumed immediately by starting the game again. The results of a completed reel spin (where display of the visual result was interrupted) will not be re-displayed within the game but may be reviewed in My Transaction History.

Any amount wagered on an unfinished spin will remain paused until you either complete the game, the game is voided, or it's auto completed within 24 to 48 hours. When an unfinished spin is voided, your bet will be refunded to your account.

Game History

The result of a completed game may be viewed in My Transaction History immediately after closing the game window. Results of unfinished games are not displayed in My Transaction History.

Expected Payback

The theoretical average return to player (RTP) is 94.95%. This RTP represents the long-term expected payback of the game which has been calculated by an independent testing lab. Bet settings determine the RTP percentage range; adjusting the bet settings to the maximum number of lines, bet levels, or bet multipliers provides the maximum RTP.
