Any amount wagered on an unfinished spin will remain paused until you either complete the game, the game is voided, or it's auto completed within 24 to 48 hours. When an unfinished spin is voided, your bet will be refunded to your account.

#### **Game History**

The result of a completed game may be viewed in My Transaction History immediately after closing the game window. Results of unfinished games are not displayed in My Transaction History.

## **Expected Payback**

*The theoretical average return to player (RTP) is 95.00%. This RTP represents the long-term expected payback of the game which has been calculated by an independent testing lab.
